

SGA 2: Application to the Fundamental Group

Bounded source-aligned working unit — 20 July 2026

Authority. Corrected French TeX line 3455; original printed p. 117, physical source-PDF p. 101, and recomposed running p. 93. These locator systems are kept distinct. Blank line 3454 and the long editor's note at line 3456 are excluded. The raw and next substantive cursor are both line 3456. The two proposition references were checked against labels X.1.1 and X.2.3. The external English candidate is comparison-only.

All of this follows immediately from Propositions 1.1 and 2.3.
